

HOW DEMOCRATS' AGENDA BENEFITS OLDER ADULTS AND PEOPLE WITH DISABILITIES IN ALABAMA

THE AMERICAN RESCUE PLAN ACT

Made available \$87.1 million to Alabama to invest in home and community-based services to expand access to care for seniors and people with disabilities and raise wages for workers.¹

Vaccinations

Over 81% of all Alabama seniors are vaccinated, better protecting them from COVID-19.²

Protection for Residents

Made available \$7.2 million to help protect nursing home residents from COVID-19.³

Senior & Caregiver Services

Provided a \$9.7 million investment to support older adults and family caregivers in Alabama.⁴

Food Security

Secured an \$11.2 million investment to provide nutritious meals to seniors in Alabama.⁵

Combating Elder Abuse

Allocated landmark funding to better protect the one in ten older Americans who experience a form of elder abuse in a given year.⁶

Help for Grandfamilies

Established a National Technical Assistance Center to help the more than 59,000 grandfamilies raising grandchildren in Alabama.⁷

THE INFRASTRUCTURE INVESTMENT AND JOBS ACT

High-speed Internet

Will help the more than 252,000 Alabama households with at least one senior that report no internet access to obtain high-speed internet.⁸

Mass Transit

Will improve transit and make it more accessible for the more than 776,000 individuals in Alabama⁹ with disabilities through an investment of at least \$402 million.¹⁰
